

COUP DE POUCE UNIVERSITÉ

Who are we ?

The CPU, Coup de Pouce – Université, is an association whose purpose is to **support international students in their academic work**. In 10 years, nearly **1000 Master's theses and PhD theses** have been accompanied in French, research methodology, white defenses, writing in English, in multiple academic disciplines.

Objectives :

- Help students progress in their studies and succeed in intercultural relations.
- Acting for peace

Proposed supports :

CPU support for students comes under **assistance to fulfil their university duties.**

More than 150 volunteers contribute with their skills in:

-  French as a foreign language
-  Conversation
-  Written and oral expression
-  Methodology and research support
-  Proofreading of dissertations and theses in French and English
-  English, Spanish
-  Office automation
-  ... and also invitations to Lyon families.
